Prior Funding History / Additional Information:

Statewide Safety Program

FY2003 Request: \$800,000
Reference No: 34018

Because the State of Alaska now has a .08% blood alcohol limit for operating a motor vehicle (Chapter 63 SLA 2001), there are incentive funds of approximately \$800,000 per year. These funds are also 100% federal and may be used for any highway improvement or safety program under 23USC, including safety education.
